CASINO NIGHT 2026

SATURDAY, MARCH 21

THE
JOSEPHMAFFEO
FOUNDATION, INC.
"Making Our World A Better Place"

PRESIDENT'S MESSAGE

On behalf of the Officers, Board of Directors, and Members of the Italian American Society, I welcome you to our 5th Annual Gala and Christmas Party.

In 2020 a group of immigrants mainly from Castellammare Del Golfo founded the Italian American Society, N.Y. (IASNY). The Organization was originally structured as a C Corporation, In 2024 the Organization filed and obtained the charter as a Non-For-Profit Organization under the IRS Rule 501(c)(3).

Subsequently, IASNY accepted new members of Italian Immigrants and Italian Americans from various parts of Italy.

Our mission is to educate the public regarding the Italian culture, heritage, language and to promote and foster social affairs as well as fraternity among members of Italian American descent. In addition, provide children the opportunity to learn the Italian language and culture.

Since its inception, IASNY has been involved in helping various youth sports and members of our community. We have partnered with our local police precinct to coordinate various activities to help and support our community.

We have various food, toys, and back to school supplies drives. We sponsored youth soccer league and are currently sponsoring a youth football league. We have various community events benefiting senior members of our community.

In 2024 we started offering Italian language classes for children of our members and within the community. We currently have 25 children enrolled in our Friday and Saturday classes.

Your attendance and support to this evening gala will allow this Organization to continue to thrive in our mission.

I'd also like to thank our Officers and Members that support, work hard, and dedicate their time to making our organization successful.

With heartfelt Appreciation,
Michael Pucella

PROUDLY HONORS

JOHN BILOTTI

Mr. John Bilotti has been an integral part of On Your Mark, Inc. since 1979, when his younger brother began receiving recreation services through the agency. As one of ten siblings in a close-knit family, Mr. Bilotti has always demonstrated a strong commitment to advocacy, inclusion, and community. His personal connection to the services offered by On Your Mark inspired his deep involvement in the organization's mission.

Throughout the years, Mr. Bilotti remained actively engaged to ensure his brother—and all individuals supported by the agency—received the highest quality of care and services. His dedication led to his appointment to the Board of Directors in 2005.

In recognition of his leadership and vision, he was promoted to Associate Executive Director in 2010 and became Executive Director in 2011—a role he continues to hold with great passion and purpose.

Under his guidance, On Your Mark has expanded its programs, strengthened community partnerships, and deepened its commitment to person-centered care for individuals with intellectual and developmental disabilities. Mr. Bilotti brings over four decades of experience, insight, and compassion to his leadership, continuing to honor the values that first brought him to the agency as a family advocate.

In addition to his work with On Your Mark, Mr. Bilotti also serves on the North Central Kiwanis Board of Directors, where he volunteers his time fundraising for individuals in need—both in his local Staten Island community and abroad.

Mr. Bilotti and his wife Kim reside in the Westerleigh section of Staten Island. They are proud parents of seven children and grandparents to ten, and remain deeply rooted in family and community life.

PROUDLY HONORS

POLICE OFFICER CHRISTINA BUNGAY

Officer Bungay is the mother of 2 boys, Joseph and Kyle who attend a public school on Staten Island.

Officer Bungay was born and raised in Staten Island, New York where she graduated from Port Richmond High School and went on to study Corporate Communications at The College of the Staten Island where she received her Bachelor's Degree.

As a New Yorker through and through, the safety of the residents of this city is her main priority. And also strongly applies the motto "be the change you want to see in the world", into her work ethic.

Uniting for Pediatric Healthcare

A STATE-OF-THE-ART PEDIATRIC CENTER

Staten Island University Hospital has long been a cornerstone of healthcare for the residents of Staten Island, providing a wide array of medical services to a diverse population. Despite its many strengths, and recent transformative expansion projects – *The Florina Cancer Center, The Richard & Lois Nicotra Heart Tower, The Gruppuso Family Women & Newborn Center and The Joseph Maffeo Neonatal Intensive Care Unit* - there is an urgent need for a new pediatric center on Staten Island.
